

The world's most ecological notice boards

Made from 100% waste paper

Sundeala 'K' ...uniquely eco-nomical!

Sundeala boards are supplied with a sanded pre-finished 'nap', so no fabric covering is required. The standard Sundeala 'K' Quality has a natural light grey colour and can be supplied square or bevelled edge. To extend the selection 'K' Colourboard is also available offering eight contrasting colours of Red, Orange, Blue, Green, Charcoal, Wheat, Lilac and Yellow. All boards offer a 25 year warranty.

Flame retardant ...with safety in mind!

In areas where fire safety is paramount Sundeala FRB can be the answer. The product is thoroughly tested to meet the specific requirements of the Building Regulations. Rest assured both FRB uncovered and fabric covered boards coincide with the stringent fire standards.

Addition of frames ...extending your choice!

Frames, either aluminium or wood can be added to your choice of notice board. Frames offer a touch of class and speed of installation...see our Executive and Harlequin frames for a touch of glamour!

**Fabric covered boards
...practical covering for
versatile use!**

Utilising the Sundeala base board, fabrics are added to offer the greatest possible choice of colour and texture. All fabrics are firmly wrapped around the edge of the un-framed boards and stapled on the reverse.

**Secure boards and specialist
products to suit your needs!**

The Securi-board range offers tamper proof security to your displays, conforming to the design aspects of BB100. Also see our range of specialist products designed to suit your specific needs.

**Dry wipe writing boards ...supplied
with performance warranties!**

From a budget range to the ultimate in whiteboard production, all Sundeala boards offer a choice in their use and performance. See the bespoke overlays available on all dry wipe boards.

**Display systems
...robust and
versatile!**

Double sided display panels in two sizes, offered in a range of colours. All corners radiused to increase durability.

**Sundeala shapes ...fun ways
to get the message across!**

Produced from standard designs, Shapes (both fun and geometric) can be a cool way to display hot news!
