# MEET OUR SOFT TOUCH SUPER MATTE

AVAILABLE ON BOTH SIDES

VISIT US DURING KBB FAIR IN BIRMINGHAM, UK

## EXCLUSIVE AND UNIQUE HIGH QUALITY LACQUERED BOARDS

**Super Matte** is one of the latest tendencies in design and fashion. **Oneskin Inspiring Panels** has implemented innovative and truly unique production technologies for Super Matte Lacquering.

Our range of exclusive **Super Matte** finishes is one of the widest in the market, combining crucial physical with mechanical characteristics, which until now weren't possible to achieve in one sole product: Astonishing warm, pleasant

and natural feeling, being simultaneously highly resistant to scratch and abrasion. Fingerprints free and shining spots free.

**Soft Touch Super Matte panels** maintain the highest resistance to various chemical products and substances, as well to extreme environments (dry and wet heat, water steam, cold check). Color stability and light fastness assure long time usage.
